“ *He baked me a birthday cake! He and two other friends came to my door to wish me a happy birthday with a homemade cake. I mean... wow! One of my top ten memories of all time... he was just always extremely kind and considerate to me. We were distant after high school... we were social media friends. I was very blessed to know him and have my life touched by him. ❤️*

Joyce and Wayne and Russell and all those Michael held dear, my thoughts and prayers are with you. The cotton-haired boy at church with a big grin, the teen who rang the doorbell with a cake in his hands that he and two other neighborhood boys had made for Nicole when we had just moved back from Alaska, and so many other memories help us remember the well mannered, thoughtful, kind and fun loving person he grew to become. So glad we had the privilege to know him.

Poldrack Family: so saddened to hear of Michael's passing. Our thoughts and prayers are with you and hope they comfort you all. Michael had such blonde hair and immaculately dressed as my kindergarten student and that sweet smile was forever in my mind. Adorable and wonderful personality. He is an angel of God now. Keep memories of him near to your hearts. May God bless and keep you.
