“ I worked with Mr.Reed at Central Houston Nissan. When I heard the news I broke down, we worked close at Nissan in Customer Relations. I remember his words "Either your up front with these people or it'll destroy you at the end". I took those words and came back with a different mind set. & when my father passed away Reed told me just remember hes in a better place. & now your in a better place, will be truly missed. To the family, I will have you all in my prayers.

“ I had the pleasure of knowing Mr. Reed while he worked at Central Houston Nissan. His position was "Dealership Facilitator" which could be better described as "Dealership Papa". The last time I spoke to Mr. Reed was about 5 weeks ago and one question he had asked me was "Did I know if anyone was hiring?" That was the man I knew. Hardworking, Stubborn, Dedicated and Proud. I will forever be grateful of the values I learned from him. Thank You Mr. Reed.

“ My Uncle Mike and Aunt Kathy are incredibly generous. They modeled generosity and hospitality in inviting not only loved ones, but people that didn't have a place to go or family to visit on special days.

My Uncle Mike was beloved by his brother, my dad John, and I loved growing up hearing their legendary stories and laughing.

Uncle Mike had an infectious laugh!

He always went the extra mile for me and I knew I could count on him for anything. His heart and actions really showed me what family means.

I miss him so much!

Praying for his sons, grandchildren and my Aunt Kathy and my Aunt Toni. Love to all! - Gillian and family
