“ As teenagers, Mick and I weren't just good buddies. We shared our families. He was part of mine and I was part of his. These years were very special and generated long lasting memories. The SJHS reunions provided the most recent contact. I regret that it was so infrequent. Our most sincere sympathy to Mick's family.

“ Karen,
It's hard to think of the right words to express the way that people feel when they hear about the loss of a friend or loved one. There is no easy way to say goodbye or to ease your pain. Just know that you have people that are here for you whenever you need anything. Mick was a wonderful person who will be greatly missed. My thoughts and prayers go with you today and always.
