“ I am so sorry to hear of your loss. I don't know what else to say. I always liked and cared about Michael he was like a son to me. Life is not fair that he be taken so young. I wish you all especially Tammy, Steven, Ruth and Bob the very best.

“ Behind that tough facade, Michael was an inspiring man with great character. His cheerful disposition always left me with a smile on my face, and he always appreciated my sense of humor even though he'd never admit it. Most importantly, Michael taught me how to stand up for myself and that I was worth something. I owe it to him for bringing me out of my depression. I loved him so dearly and will cherish all the memories I have. My heart goes out to his family especially Gma who he always spoke so highly of and I will continue to pray for you to find comfort in this tragic loss.

Love,
Kaytlyn

No matter what you were doing, the most evident characteristic that we all saw was your heart. I wanted you to one day succeed in your goals and really find that niche in life that you sought after. I'll remember you for the rest of my life, as you were one of my greatest friends.
