“ Quisiera expresarle mi mas sentido pÃ©same a la familia de Michele. La Biblia dijo que estos serÃ­an "tiempos muy crÃ­ticos, difÃ­ciles de manejar" 2 Timoteo 3:1-5. Se que estÃ¡n cargados de muchas emociones ahora mismo pero tengan la confianza que Dios pronto "limpiara toda lÃ¡grima de su rostro" RevelaciÃ³n 21:4. El hace muchas promesas en Su Palabra. “ Sending my condolences to Michele's family . May The Lord keep you and give you strength through this rough time. Michele always will be in our hearts. She was the strongest person I knew..... I will always remember our small morning talks at work. They called us the decorating dual.... I will miss her dearly when it comes to time for decorating our work pod... I am glad that she is no longer suffering and that she is at peace. I know she will continue to watch over all of .us.. May you Rest In Peace.....you are one of God's a Angel.... I know you must be wearing "Purple Wings" right now..... And wearing good..... You will never be forgotten.....

“ *You have been called home by your Creator and my faith tells me you are at Peace. I am certain you are already very busy with your new "Guardian Angel" duties, so let me just take a moment to say Thank You. My fondest memory is of our trip downtown to see the Rockets Victory Parade. So, Thank You, Michele, for your kindness and warm cheerful smile whenever we would meet. You are missed more than words can ever express.*

Praying for those closest to you that they find comfort in the cherished memories.

“ When Michele moved onto our street, she was like a breath of fresh air. Her enthusiam for life and generosity of spirit were absolutely infectious. She was one of God' s special children that everyone just wanted to be near all the time.

Although we are sad for her leaving, all those who knew her are so much more for having her in our lives.

We love you Michele and that bond lasts beyond this life. It is for forever.

Until we see you again, know you are here with us in our hearts.

“ You are the first born of my best friend, your mother, Mary. I don't think I have ever known anyone so full of life! Successful business woman, loving daughter, sister, aunt, and party planner extraordinaire! Whatever you did, you did with love and enthusiasm. I will miss you.

“ Although I only knew this beautiful woman a very short time, she touched my life in so many ways. She listened to me and offered a shoulder to cry on when my mom's cancer got worse. She encouraged me in my home business and even came to a craft show just to sit with me! I am going to miss her daily compliments. What a beautiful woman that I feel honored to have known. Many prayers to her family which she talked about all the time.

“ We lost a wonderful and courageous person in Michele. She fought a great battle to the end. Now that she has found peace I hope that we can all have peace in our lives. In life and love we will all miss you Michele. My heart aches and my home is broken. Our years together were the most special to me. Love to everyone.

“ I was saddened to hear of your passing. You were very courageous and I was honored to be your friend.

I will always remember you from middle school, high school, Alief Track Club, your playing the Thriller Album, over and over and the trip we took in our twenties to New Orleans for Mardi Gras where we were still up at 5am asking, "What's next?"

I will miss the dinners with you and Ken and the FACEBOOK chats.

Rest in peace, dear friend. I know you are now in heaven.
