*My beloved brother ,I remember when you took me to the dentist when I was 12 years old ,we were very disappointed cause the dentist said I was not ready to put braces ,that was in the 1950 ,and when I used to see you study to be a doctor with Frank Pena ,you use to tell me to go away, we need to study ,but I was very stubborn. I wanted to be there with you. I will miss your calls of every other day, when I missed your call you would leave a message saying I just want to know if you are ok an hear your voice. Will miss you dearly. Love you brother. Your sister Juanita*

“ Dear Mike, I want to thank you for being such a wonderful brother. I have so many beautiful memories like the times you took me to the neighborhood store to buy candy. I felt so special having my big brother take me to the store. You took me to Pam Am to see you during your fencing class or to your chemistry class to finish an experiment. I felt so important having my brother take his little sister to class. Throughout the years you always you watched us grow and kept track of all of us. Now in my senior years you called every week to make sure I was ok or if I needed anything. I have several voice mails and I will listen to them when I want to hear your voice. I will miss you dearly. Know you will always be in my heart and prayers. Rest In Peace my beautiful brother. God bless you. Love, your sister Lupita

“ *I spoke with my Uncle Mike a couple of months ago. I had reached out to him to question our heritage. He was a delight and had a Wealth of information. He had me at hello. I took away so much knowledge about our family. I am grateful I was able to speak with him and I will make it my mission to share the knowledge I gained from our last conversation. You will be missed Uncle Mike. My father/your brother will miss you dearly as well.*
