“ *To the family,*

My prayers are with you for comfort and strength from the Lord during this heartbreaking time. Mildred always spoke so well of each of you children, how helpful and kind you all were to her. Your comfort is in knowing that you will be with her again and that even as we mourn here on earth that she is with the Lord.

Mildred and I were friends for six decades. We were roommates in nursing school back in 1950. Through the years she has been my spiritual go-to person.

I will miss my friend.

“Mildred was one of the smartest people I've ever known. Solving a Rubik's cube was child's play to her. I've always admired her many extraordinary abilities, her creative accomplishments, her strong faith, and her fun family she invited me into. She told me about her amazement at how tiny my hands were when, as a new infant, I was brought to lie on her mother's, my grandmother's, featherbed. I was wondrously nourished by her love, and I shall always feel sadness because she is gone.

“ I've known Mildred through Bible Study and what a blessing she was to my life and faith! Mildred loved God with all of her heart, soul, mind and strength. She also deeply loved her family and prayed constantly for them. I loved Mildred's sense of humor and the ease with which she shared herself, just as she was. She is now pain-free, with her Savior. May you be comforted in the Hope of Eternal Life.
