“ Tony, It was not my intention to leave you out of the first message I left for your family. I know you were very close to your mother and I know that she will keep a close watch over you and your family. I'm sure Aunt Mildred was smiling down on all of you during the rosary and funeral service. I was very touched by the sincerity of all the messages relayed by the family about your mother. We all know she was a very special person in all of our lives. Hopefully she will intercede for all of us so that we can join her in Heaven. Love, Terri

“ Dearest Uncle Ed, Patsy, Linda, Eddie, Gloria, Pam, Elaine, Millie and families,

You are all in our thoughts and prayers. Aunt Mildred may not be here with us physically but she has left us with wonderful memories. She and all our other family members that have gone before us will hopefully guide all of us to Heaven to be united with them. Know that we love all of you very much and let us know if there is anything we can do for you. I know that these next couple of days will be very hard for you but just remember, Aunt Mildred is in a better place and is no longer suffering in any way. Her spirit will remain with us always. Kids, be there for your daddy. He will need your support now more than ever. May God bless all of you and keep you in His loving arms.

“ *Pam,
I'm sooooo sorry to learn of the death of your mom. It's awful to lose a parent! Words can't really capture it. Especially when it was rather sudden, like with your mom, and so young. My heart goes out to you. I know you'll handle her passing with all the grace and dignity that you handle everything else in your life. She must have been a great lady, to have raised such a nice person as yourself. I know she'll be greatly missed.
Angel hugs to you and your family,

“ *Millie, Patsy and family: I am so sorry to hear about your mom's passing. Just remember what Father Bryan said at a funeral I attended not long ago. If there is anything I can do, please do not hesitate to ask. Love, Pam and Jenna*

“ I first met Mildred at her sister Joni's house when the Maroul siblings were having a get-together several years ago. Henrietta Martin, my friend and another Maroul sister, introduced us.

I remember Mildred as very sweet and quiet, and met her once or twice afterward at other get-togethers the Marouls had. I was, and still am, touched by the love so palpable in the room on those occasions. Surely God was there then as He is with you all now.

My deepest condolences on your loss. I will keep Mildred and the entire family in my prayers.

“ Dear Friends,
My heart is heavy with sadness of Mildred's passing. Please know that she was loved by Ed and I, and my memories of her from years past are still so vivid. She's a lovely lady. Please take comfort in knowing that her purpose here on this Earth has been fulfilled, and our Lord and Saviour has called her home. My prayers will continue for your strength and peace during this time and the years to come. It will not be easy without God's comfort and grace, so know that He is there today and always and only a prayer away. Mildred, Ed and Addison along with others are dancing with Jesus to the most beautiful music we long to hear.

God Bless You All.....
