“ Molly was very kind, out going and loving. I have many happy memories of my time with her over the years. Her love of Caress and how she was always there to help me with Caress when I needed it. I will miss the her dearly.

“ I have had a lot of wonderful memories with my grandma. From shopping for clothes at the mall, to driving in the car and singing songs it was always a fun time. She was so full of life and was always laughing. She loved her family very much and would do anything for them. I greatly enjoyed spending summers at my grandparents house, even if it meant we would watch Judge Judy or the News and drink caffeine free Diet Cokes all day! I always remember how fancy my grandma was. She was always dressed to the nines, even if we were just going to McDonald's for lunch. I also remember how she always loved flowers, so I am honoring my grandma with these flower arrangements. While I am disappointed I am not able to attend today, I will be honoring my grandma by sharing some memories of her. I will greatly miss my grandma, but will treasure our time together forever. I love you grandma!
