“ *Hi Albert and family,*

*Words may not suffice to express the heartfelt sorrow that we feel
for the passing of your mother Monica. Someone so special as her
can never be forgotten. Her good heart has stopped beating, but a
heart that has touched so many lives can't help but live on in those
she loved so much... Praying for you that God gives you the comfort
and peace that he can only give during this hard times. God's
outpouring of love surrounds you all.
I do remember her beautiful smile, good sense of humor and the
good times we had when we participated during all the parties that
we attended.
With Love, Tosca and Gonzalo*
