“ Oh Monte, So many memories,when I think back to the car lot days, we built a motorhome out of a bus one time, we even build shops together, made many trips out of town, went through many employees together. We had a few downers but so many laughs, you and my Dad were trouble with a neon light above you! But best of all we knew we could really count on each other, yes those were Really some Fun times, BTW Monte Thanks for giving me my first job at the age of 12, Rest in Peace my old friend,

“ We shared so many good times together. Even the "Griswald" vacations bring a smile to my face after all these years. Even though vacation excursions all too often went sideways, Monte was always ready for the next adventure...the good times rolled. I will always remember his unending generosity and his deep love of family. We were fortunate to know and love him. He will always be in our hearts.
