“ *Burr, Happy Anniversary, but I really wish you were still here. I spent the weekend with Kay last week and she is doing just fine. She misses you deeply, but she is good. Barrett is getting big, and the whole Pratka Family is doing great. Carol checks in on Facebook from time to time and she is doing great as well. Sadly, it seems longer than a year. I am sending good thoughts your way. Miss you Jackie*

“ Our Burr was truly one of the sweetest men I have ever known. He loved his family, friends, and God. It is an honor to be able to say he is my cousin. He and Carol were so wonderful to my Mother and I will never forget that. I recently saw this message about Crossing Over and I hope all of our family can appreciate it and knows he is in good hands. We have many angels in Heaven that were there to catch Burr when he fell into Heaven.

Crossing Over

*Oh, please don't feel guilty
It was just my time to go.
I see you are still feeling sad,
And the tears just seem to flow.
We all come to earth for our lifetime,
And for some it's not many years
I don't want you to keep crying
You are shedding so many tears.
I haven't really left you
Even though it may seem so.
I have just gone to my heavenly home,
And I'm closer to you than you know.
Just believe that when you say my name,
I'm standing next to you,
I know you long to see me,
But there's nothing I can do.
But I'll still send you messages
And hope you understand,
That when your time comes to
"cross over," I'll be there to
take your hand.*

I think this says it perfectly, and I hope everyone believes this and believes we will all see Burr again.

I love you Burr,

Jackie Sullivan

“ *Our deepest condolences. Some of my fondest memories are my extended weekend visits to Not go to the Houston Open, binge watching an entire season of "24", and going to church followed by the Astros vs Padres at Minute Maid Park. I know Dad and Morris are "up there" toasting his wonderful life with some Crown Royal.*
