I am so sorry to hear about your mother's passing. I was on vacation and did not hear about it until I came back to work. I would have been at the funeral home to offer my condolences if I had been able to. She was a good woman and will be greatly missed. My thoughts and prayers are with you at this time of sorrow.

“ *My condolences are with all your family. I loved Mrs Reeves she showed me that life is good and sometimes you have to tell how it is and she did sometimes in rare form. She was such a pleasure to take care of and I am so sorry I was not there for her last days. I miss the way she would say things and holler if you did not acknowledge her. She will always be in my heart.*
