“ *Nan and I sang in the First Baptist Church Richmond choir and Lamar CISD choir with Mr. Joe Scarcella as director of both. We always had so much fun. Her mother even sang in our church choir. Great memories and I will surely miss her. But I know she is singing in the heavenly choir with her Mother. My sincere sympathy to her family. Thank youn John for calling me.*

“ *Nan, I will miss you so much. I hope you know the blessings you brought to anyone that knew you. You always had some form of kindness and love to offer - kinds words, shelter, a piece of your beautiful artwork and last but certainly not least - your wonderful cooking. There was always something cooking or baking to welcome me into your home. Your were our big sister Carolann and I that helped us through life's challenges and bestowed us with your wisdom. You will always be in my heart until we meet again. Love Rosie*

*John and Bonnie, I am very sorry for your loss.*

“ You have brightened our lives in more ways than we can count. Thinking about all those special moments we've shared, the meals, the laughter, the talk, the music - that's what life's all about. It's such a pleasure to have loved you.

“ I love you Cuz! We share our love of music, cats and coffee but also the fact that we were the only "only children" of the clan. I'm going to miss you - but will see you SOON! I am happy knowing you are free of pain and in the arms of our Lord.
