“ Dearest Mom,

I can't even begin to express my grief and sadness. I am so lost without you. This feeling is overwhelming and I just don't know how I am going to move on. You have been an incredible mother and friend to me and a wonderful grandmother to Emmeline and Ethan. You have supported me in every dream, comforted me in every sorrow and loved me without end. I will not say goodbye because I know we will meet again. I love you mom and I miss you already. Please know that we will be okay.

“ My dearest sister Nancy, it is the most unbearable and striving moment that we parted. Though life is an effort to create and make the best for yourself, instead you have struggled to give the utmost efforts to your friends and siblings, including your children and grandchildren.

You had live to the fullest at the tender age by showering gifts to your siblings before yourself even right till the last moment.

All your siblings will always remember how thoughtful and unfailing you had shown to keep all of us together in good and gracious moments no matter where we are located.

I hope in your next eternity, you shall be blessed with gracious love, happiness and all the wishes that have evaded you.

You were a sister that I will always be proud to mention.

“ Serene

I am so saddened by the news of your mother's passing. I know her fight was a brief but brave one and having you by her side I am sure provided the utmost comfort. Please know that even though it has been a long time since we spent time together, our friendship from years past still allows me memories of your sweet mother and the love and respect you had for each other.

Peace be with you and your sweet babies during this time.

Love,

Amy

“ Dearest April, Serene, Emmeline and family members of Nancy

Our commiseration to the demise of your sister, Nancy, whom you had held very dearly to your heart. In the last few days of Nancy's life in the hospital, she has indeed fought a good fight and is now returned home to be in the presence of our Lord God Almighty, singing glory hallelujah for eternal life as all pains and burdens are gone. For this God is our God for ever and ever, He will be Nancy guide even unto death. Ps 48:14 God will redeem Nancy's soul from the power of the grave; for He shall receive Nancy. Ps 49:15

Take care and may the Lord Jesus gives you, Serene, Emmeline and family strength and comfort.

God bless and may His Shalom peace be with all of you,

“ My dearest sister Nancy, though you had been promoted to be with the Lord Jesus Christ you will always remain in my fond memory till the day we meet again in heaven.

I thank God for giving me such a wonderful and beautiful sister who always put others interests before her own. You had never hesitated nor limit yourself at the expense of your own comfort in giving love and cares.

A very brave woman who braced the storms and hardship in life, even at your last days in the hospital you had fought a good fight to overcome pains just to await your sibilings' arrival.

Your sudden departure has deeply grieved my heart, a great lost which can never be replaced. But I will thank the Lord our God for this is the day that He has made for to be absence in the body is to be present with the Lord.

For to Nancy to live is Christ and to die is gain. Phil 1:21. Nancy, your pain had stopped and your joy has just begun.

I thank God for you and I am proud to have a great sister like you.

“ Dear Aunty Nancy, we are deeply saddened to learn of your passing; especially my Mom. Despite the great distance apart, you and my mother shared a deep and close sisterly bond for one another, caring and helping each other all these years. Mom is extremely sad and heartbroken. She misses you greatly.

Aunty Nancy, we will always remember you as a cheerful, bubbly and forthright person. Please know how deeply your loss is felt by all of us. Even though we know that you are in a better place with God we will still deeply miss you.

“ Our deepest condolences to our cousin, Serene, her children, my parents, uncles and aunts who are grieving over the loss of their beloved mom, grandma and sister. No words now can describe how we feel. However, we just want to say that we are glad that we made the right choice to visit Aunt Nancy last summer in Sugar Land, had meals with her and enjoyed her cooking and company. Special moments that will live with us for a life time.

Although we lost our love ones, we should rejoice for Aunt Nancy that she is free from pain and suffering now.

You always made everybody feel comfortable around you. You were an amazing woman with a heart of gold who gave without expecting in return.
