“ *Tom and Nancy were a part of our fire family from the time I was a teenager. They were kind and dependable and true friends. Nancy was a brave and indomitable spirit who was never afraid to try something new. She was a great friend with an ever ready smile every time I ever saw her over the many years. I am so sad for all family members who were lucky enough to have this wonderful woman as an example all these years. She will be missed by the entire Boring family forever.*

“ I remember as a little girl at all the fire station functions and meetings and pumper practice that Nancy always had a smile on her face and her big, giant, joyous laugh filling the room. She brought light into every place she went. I remember playing with the girls, especially Nickie and Robin. After I became an adult, Nancy and I reunited as I would escort my grandma, Anne Boring to Rosenberg Fire Department events. They were both always treated as the Grand Dames at every function they attended in later years. It was always so nice to catch up with her and see her and Grandma Anne reunite. They had a very special bond. I am so very sorry for this tremendous loss for your family. I know she is reunited with your dad, also a dear and precious soul. As they walk through heaven together, they know it will be hard for you all at this time, but they also know they loved you all so greatly while they were here that you will bond together even closer and give thanks for the incredible things they taught you, most of all, love.
With prayers and love, Heather (Boring) & Bill Hartt
