“ Tasha, I dont even know what to say, you were too young to leave this world. I will always remember the summers you spent here in TN. We had so much fun and good memories. I will always remember your smile and how beautiful you were. I had not spoke to you in a couple years, but always asked your brother Jason about you. I just want you to know I will hold you in my heart and memories always!! My heart goes out to your family, and I know you are there looking down on all of us, with your dad. I love you tasha, I cant forget naming Brooklynn Nicole after you and how we would, sit on the phone for hours and talk. My prayers are with your family!! I love you and will miss you always. “ *Dear Debra and the Moyers family,*

I share in the loss of Natasha, she will always have a special place in my heart. I sat with her at the Methodist hospital ER earlier this year after she texted me asking what to do, I wanted to make sure she was OK and not alone, she was scared and not feeling well. I will miss her. Sincerely, Viviane

“ *Just got the news about her untimely death.. Tasha we haven't spoken in several years, but I remember how happy you were as a child. Always smiling and running around with Travis, Brian and I. Those are memories I could never forget. Odd thing is I was wondering how you were doing just a few weeks ago.. Saddens me we couldn't get in touch again. You are at rest now and will suffer no more. We have our plans, but God has his and we are just his children. God needed another angel and they got a darn good one. RIP tosh*

“ *To the Moyers Family:
Words cannot even begin to express the sorrow you must feel. What moves through you is a sadness, a longing for one more day, one more word, one more touch. You may not understand why Natasha left this earth so soon, or why she left before you were ready to say good-bye. But little by little you will begin to remember not just that she died, but that she lived. And that her life gave you memories too beautiful to forget. May the peace which comes from the memories of love shared comfort you now and in the days ahead. And may you take comfort in knowing an angel is watching over you. RIP Natasha Nicole Moyers.
You are in our thoughts and prayers, as we grieve with you today.
With Our Heartfelt Sympathy.*

“ Tasha was such a beautiful person. I will always remember her Smile, Her Laugh, and the warmth that she brought to a room. She was very caring and had a very loving heart. We all must remember that she was created as an unique, individual person under the hand of God Himself. God knew the day and time that she would be called to go home to be with Him for all of eternity in Heaven. Can you imagine her Smile and Laugh today as she sits before the Lord Himself today? She is the Angel that will come to you in your time of need to comfort you. You will feel her spirit move as the wind blows. Her love will always surround you when you need it most. Always remember the Great Times and each moment that you had with her. Remember, Tasha is no longer in your past. Tasha is now in your future â€“ waiting with open arms to see you again once you enter into heaven. And once you enter into heaven, you will never be separated from her again!
LOVE IS THE GREATEST GIFT FROM GOD! I LOVE YOU TASHA!

“ Tasha will be missed by all, she always had a sparkle in her eyes and a SMILE on her face. Tasha seemed like another one of my daughters my heart breaks for her but I do know that she is in a great place and I will always cherish the memories we had when Tasha and Tanya moved into our new apartment. The light that always came over her face whenever she wanted to go jump into the pool was priceless, she was truly a FREE SPIRIT. She will always have a special place in my heart for all the love she showed others. We love you Tasha forever and can't wait for the day that you greet at the gates of Heaven. Love, Hugs and Kisses
