

Nelson Herman Psencik

February 16, 1936 - February 8, 2026

Nelson Herman Psencik, 89, of Rosenberg, passed away on February 8, 2026. He was born on February 16, 1936 in Rosenberg, Texas to Millie and Herman Psencik. Nelson attended Lamar High School, Class of '54 and went on to honorably serve our country in the U.S Navy from 1956-1960. He started his career with the U.S. Postal Service in September of 1960 where he delivered mail until his retirement in February of 1991. Never one to be idle, Nelson went to work for Kroll's Marine in May of that year to occupy his time and to be able to meet and talk with people that shared his same interests. Nelson was a fixture in the community and will be missed.

Nelson is survived by his son, Stephen Herman Psencik and his wife, Danna Krnavek Psencik and their children, Chase S. Psencik and wife, Hannah V. Psencik and Brianna J.M. Cizek and husband, Blake C. Cizek; great grandchildren, Harrison F. Psencik, Crawford W. Psencik and Brooklynn M. Cizek; along with extended family and friends.

Nelson loved fishing and hunting and had a large group of friends who he enjoyed the camaraderie with. He enjoyed processing his own game at his home with friends. Nelson taught his son Stephen and his grandson, Chase how to fish and hunt from early on. He especially loved taking his grandson Chase fishing and hunting and teaching him about the outdoors. He treasured the time making Slim Jims with his great grandsons, Harrison and Crawford in

his building in his back yard.

He was also extremely proud of his granddaughter Brianna and her little girl Brooklynn bringing femininity into his life.

The family appreciates his neighbors and friends who were so kind and always there for him. Also, we thank his caregivers that were there at the end and were very supportive for the family.

A service celebrating Nelson's life will be held at 10:00 a.m., Saturday, February 28, 2026 in the Chapel of Davis-Greenlawn Funeral Home in Rosenberg followed by burial at Greenlawn Memorial Park in Rosenberg.

Nelson had the best smile ever - his eyes would twinkle when he smiled. A very sweet man for sure! He came to my house several times for me to cut his hair. I had two dogs at the time and I knew he wasn't fond of dogs as a former postman. One day when I was cutting his hair, the hair cloth kept moving. He pulled the cape back and there was my pomeranian dog sitting between his legs and he said "She's making me pet her." He had a big grin on his face. I'll never forget that! She loved it when he came over and he was very good with her.

Nelson, words just cannot express what a wonderful man he was. Always with a quick word and a smile. He gave the best hugs. His venison was the best! Always! I miss him so much already.

Nelson's been my neighbor for 3 decades ,he's from the old guard .When B and I bought this place in the oldest hood in town we lucked out . Nelson hailed from pioneers of Texas coastal pluggers ,his cousins and he had more or less invented the fishing guide industry for Matagorda bay . I used to enjoy listening to stories his Cousin Melvin Taliskic of there adventures on the bay waters back in the day . I remember back when he quit fishing and when to full time hunting. A funny story he told was that on the Day the state record Trout was caught in Baffin Bay He and three of his buddies were fishing ,they had run into Wallace that day (the fellow that caught the record trout ,Nelson knew everyone in the big trout pursuit game back then ,Wallace included) .that day all of them caught record trout all day one after another . well shortly there after the other two gentlemen pass on . Subsequently each time he when fishing with somebody for the next 3 or 4 times (as you may have guessed) all of his fishing buddies wound up in great salt bay waters up yonder . Nelson would jokingly say " no body wanted to fish with anymore " lol .So he sold his boat and began seriously pursuing big Texas Bucks and was amazingly successful . We always exchanged hunting stories as I did a little hunting myself from time to time . Nelson was a mentor of such to me as well , he taught me the basic's of reloading precession high power ammo and outboard motors. he was known the best outboard mechanic within a few hundred miles ,having been the head motor guy at our well know Krolls Marine for decades . Well I wanted to say some em about him ,less he not be forgotten in perpetuity ,RIP friend
