“ Nikki was the most beautiful person inside and out. She was so proud of her family, and loved her mom and dad dearly.

*Her sisters were her pride and joy, she used to tell me stories about how grateful she was to be their big sister (even when they drove her crazy).*

*I will carry a piece of Nikki with me forever. She taught me not to take life so dang seriously all the time, and taught me the importance of smiling, even when things get rough.*

*Her family should be so proud of the woman that she was. I just know she's standing by giving all her love as she always has.*

“ *Nicolette was the most generous, loving, caring, funny and loving person I have ever met, the moment I got to meet her I felt like she has been my friend forever, she welcomed me with open arms. I cherish the time we got to hang out together, I got to cook a German meal for her and she wanted me to teach her how to make the dish, which I never got a chance too. RIP Nicolette, I know that the Heavens have gained an amazing Angel, you truly will be missed. Until we meet again some day. Gabriele*
