“ Could you please pass this email along to the family of Nieves Rodriguez, Jr., who passed away last October.

I came across a commemorative video done by one of his sons on Youtube.

Nieves and I were in Spanish class together at Boling High School. As I recall, he moved away the following year. Just by accident, our paths crossed at Tan Son Nhut Air Base in Vietnam in 1967. Who could guess that two guys from BHS would run into each other half way around the globe.

The video was a wonderful tribute to Nieves.

I played football at Boling the year after he left. I consider myself fortunate to have not been run over by him. It would have hurt. He WAS one strong dude!

Nieves was a good guy. I share your loss.

“ Thank you for all the kind words and prayers for my Dad. He was the strongest, hardest working man Ive ever known. He loved to fish! I am going to miss fishing with him. Im glad I was able to take him on so many trips. He is in a place where he never loses a fish, his line is always tight, and his hook always finds a fishes mouth. He will be dearly missed, but never forgotten. Please watch over us and protect us as you always have. Like I told you, you were the best father anyone could ask for. I will fish with you again Dad.

*I love you Dad with all my heart!
Signed your loving son, Joey and family.*

“ Life is but a stopping place, A pause in what's to be a resting place, Along the road to sweet eternity. We all Have different journeys, different paths along The way, we all were meant to learn some things, But never meant to stay ... our destination is a Place far greater than we know. For some, The journey's quicker, for some the journey's Slow. And when the journey finally ends, We'll claim a great reward and find an Everlasting peace together, With the Lord. May God bless and keep you and your family. Treeena Haynes - co-worker Brinks

“ To the family of Mr. Rodriguez, I had the pleasure of working with Mr. Rod at Needville Junior High. He was a hard working, sweet, friendly and talkative man. We would talk about his fishing trips and he would give me tips on how to catch those big reds! We would laugh and joke! I recently saw him at Academy. He talked about his brand new 4x4 that he bought, his wife, children and grandchildren with a big smile on his face. My thoughts and prayers go out to all of you! He will truly be missed! R.I.P. friend! My sincere sympathy, Brandy Rader and family

“ Rod’s friends here at Needville Jr. High will miss him. In the short time that I knew him, he broadened my horizons with stories of life in the Air Force and life overseas. He seemed to love his job here at the Jr. High, always taking care of teachers and the kids. Always positive and smiling, he was a good role model for our students. Our visits during lunch duty were something that I looked forward to, especially if he had a new fishing story. He talked always of wife and sons, they were very important to him. His many grandchildren were always included too. Trucks, guns, politics, they were all subjects that we shared. I will miss my friend and would like to offer my heartfelt condolences to his family. He will be remembered in the warmest of ways.
