“ Mrs. Scotka and family, I was saddened to her of the passing of Mr. Norbert, who I was sure was gonna live forever as one of our KC joke tellers-if being full of it like my dad is and he was would make you live forever, he was an ideal candidate. I was hunting until Monday and came back hoping the visitation was Monday evening so I could pay my respects, but learned when I arrived back in town today, the service was this morning. Know that he and each one of you are in our prayers, and I will truly miss him at KC 2801 functions. Greg Antrich and family.
