“ *Jim and Carolyn*

My prayers and sympathy are with you in the loss of your father, Jim. He was a customer of Buddy's many years ago when Buddy was in the metal working machine sales business. The loss of a loved one leaves a void, but remember the memories and talk about them. From experience, that is good therapy.

*Love,
Mary Ann*

“ Dear Aunt Florence, Jim, Carolyn and Jeffrey,

Please know our thoughts and prayers are with you as we can not be there with you.

I remember many happy times visiting Uncle Norm and Aunt Flo and the times they came over to our house.

I enjoyed talking with Uncle Norm on the phone from time to time hearing about the good old days.

He was a very talented man.

He always wished me well with my battles with breast cancer.

Getting married for the first time late in life, Uncle Norm was really happy for me.

I miss his e-mails and I will miss not hearing his voice on the phone.

Like my own Dad, Uncle Norm was a little rough around the edges, but he had a heart of gold.

Jim, Carolyn and Jeffrey, it was so nice to meet you at Pheasant Run when you were in Illinois and I still hope Max and I can come out your way and see you and Aunt Flo. Maybe this winter.

A BIG hug and much love from us,

Joan and Max Adamski
