“ I was out of town, and just now found out about Orville's passing. My condolences to all the family, may God hold you in his arms for all your needs. I rode with and worked with Orville at the Beechnut station. I always felt he was one of the best there. I retired in 2006.

“ I was so sorry to hear about Uncle Orville's passing, and especially on his and Aunt Mildred's wedding anniversary. He was always a jolly person who liked to tease me and all cousins. I'm sure Daddy will miss his little brother, too. I think the teasing personality must be a family trait, because that's the way Daddy is too. I'm so sorry for your loss, but I bet he's celebrating while reuniting with his family in heaven.
