“ Merry Christmas, grandma! It's been a while since I wrote something down here. It's been a very busy semester, many new and scary things, but I know you're always next to me. I miss you a lot, we all miss you so much. It breaks my heart ma, that you're no longer a phone call away, a quick facetime to reach. It hurts to see how we were when you were still here with us. I miss you always, I always have and always will. I always have you in the back of my head and in my heart. I love you grandma, merriest christmas.
