“*Mrs. Spiller has been such an inspiration to us and the best neighbor anyone could ever hope to have. She was the first to welcome us to the hill with a plate of homemade cookies when we moved to Kerrville. We will miss her and her sweet smile so much. What a special lady.*

“*Malcolm and family,
I can't remember much of my childhood without you and your parents being a fun part of our lives in Cat Spring. I can truthfully say that all my memories are happy ones...having you spend weekends with us at "The Camp", or sharing Sunday afternoon sandwiches without the crusts for you... at our home. Your Mom and Dad were such a part of our family. I am so thankful that Margie, Roger, and I took Mom to visit with your Mom last year, spending the afternoon looking at old pictures and sharing memories...they were always as close as sisters. Please know that you are in our thoughts and prayers as you and Bubba and your families grieve the loss of your Mom...who set a great example for all of us.
Love,
Mary Lou*
