“ *I'll always remember Ollie-----VERY fondly-----he gave me my "First Kiss"-----his Mother Margaret drove him to my house, and picked me up. All 3 of us sat in the front seat of her car, as she drove us to Ley's DrugStore. Margaret ordered us each a "soda"----and then walked away and left us "alone". Ollie leaned over and kissed me!! I think we were about 10 years old?? I remember everything very well (except our age--haha!)-----and it all makes me smile. Ollie was a great guy! Good memories. Karen Drachenberg-Sievers*

“ It’s hard to understand why people are taken from us, but find comfort in knowing you were a special part of such a well-lived life. May happy memories carry you through this sorrowful time!
