“ Dear Becky and family,

What a shock. We had such a special time in ALF, and the connection lasted through the years. Though we didn't see one another often enough, we always spent what ever time necessary catching up whenever the opportunity presented itself. It was always a joy to see him...we'd talk about his activities and the family. He was a dear, sweet, kind and gentle man, and I will miss him.

Please know that my thoughts and sympathies are with you and the family.

As we say in our tradition, "he lives on in the hearts of those who cherish his memory."

With love,

“ *Orin "died unexpectedly" I would love to ask him what that meant to him. I would imagine it would begin with his usual "well you know" and you knew you were in for a good story, I would imagine he would have said to live each day as if it was your last. As I know he did by his love for his family, his love for his friends and his love for his community. Orin you will be greatly missed by many.*

“ It is really a biggest loss to me and his families. I always admired Orin for many years even at George Ranch for so many decades. He was my special speaker guest for our Texas Historic Commissioner at Wharton County museum that happened few months ago. He was special to my families histories and we are suppose to work together later this year or early next year, so now I do miss him dearly as great friend. I would love to have my step on his foot print to George Ranch Foundation which he had worked hard for. God bless him and his heart and great friendship and his families.
