“ Today we say goodbye to one of the kindest, humble, fun loving men that someone would be fortunate to meet in a lifetime.

Oscar holds a special place in everyone's heart that has been a part of his life. For me it was when I met him 10 years ago. I began dating his niece, Cyndi, who would one day become my always and forever bride. From the very first day Oscar and I met, he welcomed me with open arms and invited me in, to become a part of his family.

Over the years we would share many meals, drinks, laughs, and wonderful family moments. I will always cherish those memories. The last one being one of my favorites when I was able to spend the time with him on the annual family trip to South Padre island. He was excited to share with me all the memories and places the family had shared vacationing in South Padre for over 30 years. From the car ride down to the drive home we shared a lifetime of laughs and stories that I will always cherish.

Oscar you will be greatly missed and never forgotten. My deepest love, thoughts, and prayers will always be with you.

Love,

-David

PS. When you see Frank please tell him I said hello! 😊

“Oscar was one of the best men I've ever had the pleasure of meeting. Working with him for 13 years was an experience I will forever be grateful for. From the long drawn-out meetings and the “you got a minute” conversations to the disappointed stare when he realized I accidentally threw away his last batch of barbacoa. He will be greatly missed. Thank you for everything Oscar.

“ I remember years back when my sister Belinda and I together with about 3 other cousins went to the Galleria, one of my cousins was dating one of Mario’s friends at the time, it was Mario, Oscar and their friend waiting on my cousin, not knowing that my sister was about to met her future husband and since day 1, Oscar has always been a big part in my sister’s family and our family, Oscar was a very loving, caring, generous man that loved my niece and nephews as his own children and loved their children as his grandchildren, He is truly missed! Gone too soon! Rest in peace dear Oscar

*Oscar, I want to thank you for being more than my brother, you took
me under your arm since I was 15yrs old.*

the lord Jesus Christ.*

*But I know you are looking over us and you will look out for your
