“ Our thoughts and prayers go out to my family on this very sad day.

I have many fond memories of times we have spent together...when I was tiny and Pam bought me my very first Barbie, to our visits to Braedenton and sharing a beautiful sunset together with my family. Mostly, when we just spent time together in 2013 relaxing and just catching up. I speak for the whole family when I say she was a beautiful person inside and out and will be missed terribly. RIP aunty. Xxx

“ Pam and I go right back to secondary school and we met aged 11yrs. We shared a common interest in that we loved horses and horse riding. We kept in contact all these years and in fact Pam came to stay with me in the UK in 2014 for 2 weeks and we had a great time reminiscing and visiting old places. I have great memories of visiting her and the family in Texas and send love to all the family at this sad time x. Valerie Coker
