“ Sandy and Bobby, you have my condolences on the passing of your mother. Pansy was a very sweet and special person. Pansy kept all us Maintenance Supervisors at Imperial on our toes and always looked out for us in everyway. She made our jobs so much easier and so much more enjoyable to do. I can remember when she retired, she told us not to make a big deal of it and she did not want a retirement party. Needless to say for the first time we did not listen to her. I know after we surprised her with the party at Mike Young's house, she was proud and pleased. Several times they put someone in her office to help her or fill in when she was off, but no one could do the work like she did. We were her men and she always made sure we were taken care of. I always enjoyed sitting down with her and enjoying our favorite beverage. Pansy will be missed, but she is in a better place now.

“ To Bobby and Sandy and all of Pansy's family I am sorry for your loss but so thankful to have known and loved Pansy since I can remember. She was loved by our family since she was a young girl and she and my mother, Miriam James, became friends when Pansy was a child and my mother a newlywed! They remained friends for a lifetime and Pansy was very dear to me and my dad also. My love and prayers are with you and God Bless.
