“ *I knew Pat since I was in the 5th grade ! I moved right down the street from his house when we moved from Wharton. We became good friends and grew up together.*

He was always game for anything ... sand lot football ... fishing ... hunting ... hanging out with friends ... and getting into mischief! Boy did we do that !

Last time I got to spend quality time with Pat was turkey hunting with John Webb. It was the resurrection turkey day a few Easter's ago ... a great time and forever amazing memories !

Pat, may you travel in peace, happiness and joy.

We will love you always Pat. Thank you for all the wonderful journeys we all shared.

I went to High School with Pat. We didn't run in the same circle in those days. However once we became friendss on Facebook, I realized what I had missed out on all those years. Pat had a humor that was contagious, he also had a way of speaking that held your attention. I would say Pats way of speaking was, telling someone to go to hades an make them look forward to the trip.

Thanks for all the wonderful memories Pat. Rest easy on the arms of our Lord.

I knew Pat Calnan from June 1978 until August 1979 when I entered the Air Force. Bruce Neeper , Bo , Johnny L. , Kenny Ellerman and all the others used to hang out together at Glenn's Exxon in Richmond almost every weekend night..... or head out to Bo's property and take Cowboys mini truck around the track after we watched SNL and partied till wee hours of the night..... Pat was always there and we always had a great time together. He was "Everyone's Friend" ! Real people , and that's hard to find . This is John Guillot, and I'm lucky to have known Pat Calnan
