“ Dear Mike and family,

It was a sad day when I heard about Pat, I still can't believe it. We just had our 40th Class reunion and when I was looking at the yearbook, I wondered what had happened to Pat and why he wasn't there. I hope he wasn't ill and/or suffering for a long time. I also hope you and all of your family are well.

*With Deepest Condolences,
Linda*

“ Dear Mike & Family,

I was very saddened to read about Pat. It has been many years since I last saw him, but I still have fond memories of the days when both blue and white VWs were seen about town. May memories of good times comfort you.

*With much sympathy,
Margie Beard*
