“ May God's Blessings of comfort and strength be upon Patsy's family during this very difficult time. I've only visited with Patsy at Class Reunions since we left high school so many years ago, but she always had a smile on her face and a joy of living that was contagious. I am saddened by her illness and death and will pray for her family. Now she is smiling and rejoicing with the Angels. Mazie H. Leftwich

“ Patsy has been a family friend for so many years that I can't imagine a time without her.
I have many fond memories of her and could never forget her. She was the first person to ever let me drive her car, although I was all over the road, she never complained. I also remember going to her apartment and watching movies and seeing her at my aunt Dodo's. She was a sweet loving lady who loved her family and her friends and of course her cats as well as all animals.
I'm so sorry I could not make her services and will miss her very much.

“ There should be a picture of Patsy in the dictionary next to these words: true friend, loving, SMILE, embracing, kindhearted, angelic, generous, prayer warrior, gracious, beautiful, joyful, unforgettable. I came to know her in 98 when my position with IKON in Minnesota was transferring to Houston. She was so comforting and kind with me about it. We worked closely together during the transition and became great friends across the miles. She often asked me to send her some of our cool air in Minnesota. I often asked her to send me pictures of bluebonnets. She was my bluebonnet friend. Now she is my bluebonnet angel. We exchanged innumerable emails/cards though the years. I know without a doubt, I will see her dancing with the angels in the most glorious field of bluebonnets in Heaven someday. Thank you for being a treasured and forever remembered blessing in my life, Patsy! My unending prayers to your dear family and friends in Texas and beyond.

“ *My condolences for everyone who had the gift of knowing Patsy.*

One of my aunt's most loving dear friends, I grew up seeing Patsy when she'd often come by to visit "the circle" on Inwood Drive to see Aunt DoDo. Patsy always took an interest in me, something that never changed throughout my life. Such a wonderful soul and great friend to our family.

One of my favorite memories was when I was little and we were all at Patsy's and she played Michael Jackson's "Thriller" video on her VCR. As expected, everyone loved it. . . except for me, being the scaredy cat I still am today, hiding behind the couch in complete terror!

Patsy always had laughs to share, concern for everyone's best and lots and lots of love to give.

Patsy, you will be missed and loved by so many. And remembered by all.

Love, T. R.

“ I am so sadden at the loss of my dear, sweet friend Patsy. We worked together for many years at IKON/Ricoh before she retired. Patsy was my co-worker, friend and prayer partner. I always knew that I could count on Patsy to bring my prayer request before the Lord for me. We talked, laughed and cried together many, many times. She was always there for me in good times and bad. When my mom was sick for 3 years, Patsy would ask me about my mother and how she was. I will never forget the day of my mom's funeral looking up and seeing Patsy's smiling face greeting me with a huge hug. I will dearly miss you my friend. You left a hole at Ricoh when you retired, you are now leaving a hole in our hearts with your passing. I am so thankful that I was able to visit you a few weeks ago and talk and pray with you one last time. Heaven certainly gained a sweet, beautiful angel. Love you my friend.

“ Dear Mr. Joe & Sandra, I loved this woman. We graduated high school together and have really connected over the past several years. Mr. Joe, Patsy & I prayed for you during your medical trials a few years ago. She loved you with an incredible love. Her greatest hurt when she started chemo was how it was going to effect you. She adored you. Sandra, I am so glad you two were together at the end. Praying God just surrounds you and your dad with His amazing love. I rejoice that Patsy is now with Jesus and there will be no more pain for her. Loves to both of you!

“ *My heart aches from the news of losing my sweet friend Patsy Crow. I met Patsy while working at Allstate Business Systems and from the very start Patsy had such an amazing spirit that made you feel as if you had known her all your life. We stayed in touch over the years after my relocation to Kentucky and I could always count on being able to call her and we would pick up as if we had just talked days before... She had a special way of making you feel like her imitated family and I loved that about her and will miss our phone chats. I send my condolences and love to her family and friends, we have lost a precious soul but heaven as gained an amazing angel!*

“ I have known Patsy since we were in elementary school together. She never changed from the sweet little girl I first met in school to the lovely woman she grew to be. Patsy would light up a room the moment she entered and always had the most beautiful smile of anyone I know. One thing I recall most is that she ever once spoke ill of anyone.
