“ *Mr. Brawn and family,*

When I learned of Mrs. Brawn's passing from Laurabeth Keith--Dobie Class of 1983, I was so deeply saddened. I have always had such a warm place in my heart for the entire Brawn family because of the positive influence you were in my life and the lives of so many others that passed through the wonderful band program at Dobie High School.

I remember Mrs. Brawn as a pillar of support--always present, always by your side, ever so patient, and always expecting nothing but the best out of others. She was a model wife and mother and her pride and love for her family was very evident.

My husband and I have two boys in band alto sax and percussion and I can only hope that they will have the same wonderful experience in high school band as my sisters and I did! I have already told them lots of memorable "Mr. Brawn stories" so they understand the high regard and respect I have for you and the entire Brawn family.

It is my hope that you will be able to find peace in your loving memories during this time of great loss.

With sincere sympathy,

*Mandy Schubert Scott
Dobie Class of 1983*

“ Dear Mr. Brawn, Kelly and Billie -

I am so sorry to hear of Pattie's death. My sisters and I remember fondly all she did to support you Mr. Brawn and all the members of the Dobie Band. Being a mom of two high schoolers, I can realize now that it wasn't easy putting up with a bunch of teenagers year after year! Kelly, I remember your mom always being so patient and easy-going with us crazy girls.

My heartfelt sympathy goes out to all of you. I am sorry to have lost touch with you all after so many years, but please know I still think of your family and all the great times I had in the Dobie Band.

My thoughts and prayers are with you,

*Lisa Schubert McMillan
Dobie HS, Class of '80*

“ *I'm so sorry to hear of your loss. I know you will all miss her terribly. Keep fond memories in your heart and she will always be with you. I remember a band party at your house she was very patient to put up with that!!!. And the trip to Washington DC - I don't think any of us were real happy with the "accomodations", but she just went along with it like it was a 5-star hotel.
Take care!!!*

“ *Mr. Brawn and Girls -*

Please accept my heartfelt condolences for the loss of Pattie. I remember her well from way back in the late 70's when she would always be a strong supporter of the J. Frank Dobie band. She was ALWAYS so nice to me, and I recall her love for family as being a tremendous asset in her life.

Mr. Brawn, I wish I could be there to visit with you momentarily to offer my thoughts in person. Believe it or not, I can remember you being at the funeral of my father way back in 1970 when Reggie was in your band, and my father died of heart trouble. It's little things like that that show character and human love for others - 2 traits I learned from you as a teacher.

Best wishes to you in the future. My prayers are that you may use your memory of Pattie to bolster your life during times of sorrow and grief, and may her permanent prescence in your heart be like a light to lead you to life's happy days again.

Sincerely,

Jimmie Petrash, '78 Dobie graduate

With prayers from my wife, Denise, and children Joshua, Mary Alice, and lil' John-John
