“ Dorothy, Paula, Amanda and family - I was so saddened to hear of Paul's passing. He was such a wonderful man, and I always enjoyed our visits with you guys. Having been a member of the family for almost 54 years (wed Paul's Uncle Junior), I have been truly blessed. Since my husband's passing, his family is still so good to me - I treasure all the phone calls and visits from them. Such a wonderful family - May God be with you through this sad time. Much love, Aunt Jean.

“ Dear Dorothy and Family,
Patsy and I send our sincere condolences to you at this sad time. When we are back in the Richmond area, we will try to see you for a visit. Since moving to the Georgetown area, we have missed you and our other great Sweetgrass neighbors. Many times, when going to the mailbox, Paul was out walking and we would chat awhile. He was always cheerful, gracious, and much fun. We would joke about having the same last name and wondered if our families in East Texas could have been related. Paul told me much about his varied career and how he loved the businesses he owned. I think the airplanes were his favorite and he shared good stories. We were honored to be a part of Paul's 90th birthday party and so glad we could be there to meet your family members and so many of Paul's friends. We know that Paul placed you and your family above everything else in his life. We also know that the great memories of times spent with Paul will provide strong support for you all, as well as for us. Hope to see you soon.
Much Love,
Glenn & Patsy
