“ *She was an extraordinary awesome mother and grandmother. I am glad to have met your loving parents, aunts, and family. With her love, patience and words of encouragement; she taught me some of her family tradition recipes and also how to make kolaches. I will miss her dearly because she was like my second mom to me . I will treasure in my heart all those beautiful memories, we had with her. Dios la bendiga.*

“ *My heart goes out to the Dybala family. I remember Pauline as being a sweet sweet lady. I'm so glad that my parents drove to Needville from Cistern to visit Uncle William and Aunt Matilda, and Pauline and Charles when I was a kid. As it turned out Marie and I were close enough in age to build a lasting relationship to this day. I'm so sorry I can't be at the funeral because of my grandson's H.S. graduation, but know that Pauline and your family are in my prayers for a beautiful farewell. I'm sending a donation to the Texas Czech Heritage and Cultural Center in La Grange in her memory, and think a couple of other family members will as well. +++Betty Otahal Danner*
