“ There was always good Cajun food , cold beer, good and bad/funny stories at the Comeaux house. We were more familiar with Tami and those 2 cute little girls who made sure they were the life of the party when we visited. Tami works with Barbara for many years in the DA's office. Pervis had a wonderful life with Tami and children. I have used a saying that he said one time. He said, " Al, we will have to get together and burn some meat together". I will always remember that.

“ Dear Comeaux family,  
I am so sorrowful about Pervis passing. I looked at the pictures posted on facebook and cried alot. He was one of a kind and it saddens me that he will no longer be here to be that one of a kind that we all love and admire. He was a wonderful man who loved family and life with all his heart. I smile in my heart remembering all the stories I have been told about his shenanigans through the years. I will spare you those details in this post but the family knows them all and I know some and they are funny great memories I will always cherish.  
He will be missed but he has left a legacy of love of family and friends. I hope he is fishing right now or stirring the gumbo. I pray for comfort and peace for the family. I love you Comeaux family and it was a honor knowing Pervis.
