“ Polly was my mother in law for many years! She loved her family more than any of them would ever know. She adored all of her grandchildren and great grands! Something I will always remember is the precious song she sang in Spanish over both my kids when they were babies. That song immediately got their into their hearts and they locked eyes with her and smiled. She also had such a deep love for JESUS! I know that she is rejoicing in heaven with Jesus and seeing all those that went before her! She will be dearly missed.
