“ Vanessa and Ellison, we are so sorry and totally shocked to hear about Randy. Everytime we look at our remodeling we will think of Randy. He was very talented at what he did.

I am sorry that we cant attend the funeral on Monday, but Teddy just started a new job and he is clear over by NorthWest Mall, and I am downtown Houston could not make plans quick enough to be off since my boss is out of the country. We are thinking about you and want you to know that.

“ *It's still hard to believe that you're no longer with us, Uncle Randy. But unfortunately it is true...We will do our best to take care of Vanessa, Ellison, and Landon. One of the many valuable lessons you've taught me is to always be yourself no matter what and to never hold back from doing the things you love. You lived your life like each day was the last, and I admire you for that. I love you and I miss you so much!!!*
