“ *Our hearts and prayers are there in spirit with Ray's family today and always. Ray was a wonderful family man and his service in the Needville community will be missed greatly. We met Ray when Dalton began playing tennis and shared family news when he dropped off loads of soil to the Rocking T. Ray's smile and friendliness will be remembered. “ *Ray's quick wit and good sense of humor will be missed. I would often joke that he was our favorite brother-in-law, but it was no joke. As my father used to say about those he admired, Ray was a gentleman and a scholar. Our deepest condolences and love to Lu Beth and the entire family.*

“ Ben & I are sending our sympathy and love to LuBeth and the family. We have such happy memories of Ray sitting at our kitchen table and spending time with Sheri and our family. He always said he was moving into Sheri's room when she went to college. He had a great sense of humor and we loved spending time with him. He demonstrated his good judgement when he married LuBeth Lucky. She was a special young lady that I feel blessed to have spent a year teaching.

We are praying that God will wrap His loving arms around you and give you comfort and peace.
