“ This message was too long to send so it's divided into Parts 1 & 2: Here's Part 1 - To all our special "cousin family" - we were so sad to hear this news and we're sending much love from all our family. We have such beautiful memories of Ray - and your precious family! What an exceptional Christian man Ray was all his days on this earth. We loved him very much. His joking around and laughter were so contagious; and his positive attitude and bigger than Texas smiles will always hold such a special place in our hearts. Ray left a beautiful legacy through such a precious family, and we pray God will give you strength, comfort, peace and LOTS of wonderful memories as you walk through this difficult time and the months, years ahead. We will always treasure our visits during the Houston Rodeo and when your family came up here and enjoyed fishing so much. Some of my fondest memories were when all the "Lewallen family" got together!
