“ *Such a light in this dark world. Full of happiness, laughs, and love. You were one of the good ones... your heart was something I'll always remember. No matter what was going on in life, you always made sure you could throw in a joke to see someone smile. I'll never forget all the laughs and love you gave. I'm gonna miss you my little buddy. Praying for the family and friends of junior. Love you all.*

“ *I would just like to say to the family my heart is heavy for you all I love each and every one of you. I have been apart of this family's life for 15 years now and i can tell you that Jr was definitely a one of kind. Jr had the biggest heart nice to everyone always had a smile on his face even when he was mad and never met a stranger. Jr would give you the shirt off his back if it would benefit you. I could sit here all day and just keep on telling you all of how much Jr meant to everyone but we all know that he was special to everyone. Farewell Jr RIH buddy gone to soon but never forgotten. And to the family may god be with you all in the days and weeks ahead that you may find peace in your heart I love you all God Bless.*

“ *My sweet nephew, the loss of you is heartbreaking. Your mom and I were pregnant at the same time, her with you and me with Becky. We used to sit outside and watch y'all kick and move in our stomachs. I was there for all your firsts. Even when I moved away, when I would come visit, you would come hug me so tight and give me that big smile. I can remember you running around the yard with waterguns playing with your cousins. You and your brother were just more of my kids, not just my nephews. As I watched y'all grow up, mostly in pictures because we were so far apart, I was always so proud of y'all. Each time we did get to be together it meant the world to me. I know you are with your mom now but I want to be selfish and have you here. I hope you always knew how much I loved you! RIP my sweet boy! Aunt Chell loves you always and forever! Fly high my Angel!*

“ *I will never forget the first time I saw you, you were so young, I would never have imagined in a million years that I would be your mom, and then when you started calling me mom, that made my heart sing, for almost 20 years to see you from a young boy to the most handsome, sweet loving, caring man that you had become, we always said you had a heart of gold, you always took care of us and others. I will always remember the memories we made, you may be gone but you will never be forgotten by all, I am going to miss you more than anyone will ever understand, just to hear your voice, see your face, to get that phone call with my special ringtone I had for you. I know your smiling down on us, RIH my sweet boy, Mom & Dad love you so much.*
