“ Dear Dorothy & Herman, W.J. & Inga, and all of Ray's loving family,

All of his dear friends at Southwestern Bell Tel. Co. extend to you our deepest sympathy on the loss of your brother, Ray. He was our "brother", too, for many years at the Rosenberg Central Office. Karen Trahan and I worked in the Alief Central Office and he was always kind and helpful and very knowledgeable. We were so happy when he and Carol married. I remember seeing them at the Fort Bend County Fair Parade every year while my children were in school-waving at them across the street.

We tried to keep in touch. He came to my 35th service anniversary party in 2005 and I have a great picture of him. We last saw him at August Kube's funeral but spoke with him after his recent surgeries. Karen, Ophelia McAlpin & I had hoped to visit him but we regret now that we didn't make that happen. His passing teaches us to truly cherish those who mean the most to us.

He was a gentle soul and we will miss him. I trust that our Risen Lord will comfort all of you and bring you peace, as He has Ray.

“ *I guess with all high schools there are those small groups that hang together and enjoy each others company. Raymond and I were part of one of those groups sharing some of the same classes and hanging out during free time. I will miss you friend.*

“ So shocked and sorry to hear about Ray. I know you are all sad, but Ray will not be suffering anymore. Ray was a kind person, though I did not know him long, he seemed very genuine. I know you will all miss him. Now he will see his wife Carol again and can ask the Lord all of the questions we all hope to have answers to someday. I enjoyed his company while we were at TIRR together.

God bless you all.

“ I worked with Ray at the Rosenberg office before I retired in 2000. The thing I remember most about Ray was his dry sense of humor and the way he made me feel better no matter what was happening on the job. I want to extend my heartfelt condolences to his family. He will remain in my thoughts and prayers.

“ I wish to extend my sincere condolence to Dorothy and Herman and the rest of the Pyka family. Having worked with Ray for more than 13 years, I found him to be a man of true honesty and integrity. He was well-respected by his peers, was a self-starter, and could always be depended upon to get the job done the right way. Thanks Ray for making my job easier and for being a true friend. Rest in peace.
