“ I only knew Mr. Reggie for a short time while working for Fort Bend County. He taught me a lot and was always so patient. He was always there with a 'good morning', a kind word, and a joke or two. His presence was a bright spot in everyone's day. I will definitely miss him. Sending love to his family and friends.

“ Oh Reggie. I thought he'd live forever. Working with him at the County Clerk's office is one of my favorite memories of the job. He was a very intelligent and caring man. Whenever I'd go on break outside and see him sitting on the bench I smiled because I knew he'd have a funny story or some wise advice about retirement, marriage, children or grand-children. I feel so blessed to have known him, worked with him and to consider him a friend. Rest in peace my friend.

*My deepest condolences to the Manning family. In my short time working with Reggie I learned quickly that he was quite the character. I will miss our talks, his teasing when I put "my blanket" on, his reminders that "it's chowtime," his ribbing of the clerks, and that drawl of his. For all the bright lights in our office, the place has dimmed considerably since he's been gone. Rest in peace, sweet friend.*
