“ We've been thinking of Ricci all week and are so sorry we couldn't come to remember her together formally today. We have so many fond memories of our Disney-obsessed, mystery reading, ice cream-loving, wry commenting, great cooking, chocolate croissant-loving shopoholic cousin...who was so very picky about her cheese enchiladas . We also know how painful it it to lose her after so many years fighting. Praying for your grieving hearts to be soothed by joyful memories of big and little moments with her...and for your peace. With love, Gabe & Larkin

“ I will always remember Ricci with a fabulous smile and always laughing! We go back many years when my grandson and Christopher were close in age exchanging clothes. She loved to shop and gave clothes with tags still on them as Christopher out grew them so fast. She always had a big heart and loved her ice cream! May she rest in peace out of pain with lots of good memories!
