Richard was a true original, known for his candid and humorous nature (Richardisms) and bless his heart, was born without a filter. When called out on it, he would always reply, "Well, it's the truth".

An avid hunter, Richard cherished the times spent hunting on the family farm in Phelps, Texas with his best buds, Hector, Karl, Robert and Edgar. His love for the outdoors was only surpassed by his love for his family.

In lieu of flowers, the family requests contributions be made to the Multiple Myeloma Research Foundation, honoring Richard's courageous 22 year journey with the disease. His family would like to thank his primary care physician of over 30 years, Dr. Fahim Farhat and his hematologist, Dr. Tejash Patel for all their wonderful care.

“ *My sincerest condolences to Richard's family. My heart hurts at this news. Richard was one of the first boys in Jr. High to ask me out. He drove his motorcycle to my home without notice. My grandmother was with me at the time and would not let me go with him on that 'thing'. He eventually convinced/charmed her, and I went with him that day. He had the most infectious smile. Whenever I would see Richard in class, he would make me smile. Rest in Peace, sweet man.*

“ *Prayers for peace and comfort during this difficult time. My Mom worked with Richard's Mom. It was Aunt Ethel and Uncle George to me and my Siblings. I'm sure there will be a glorious reunion in Heaven. God bless!*

“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.
