“ We moved to Sugar Land in 1988. We led the teen youth group at our Church. They were just beginning to take Drivers Ed/get their drivers licenses. I asked Rick if he would have a new drivers education class so they would have auto safety/knowledge. He did. Also, when my daughter was at TEXAS Tech in Lubbock, she had issues with her car several times. Rick called the auto repair shop in Lubbock to find out what was going on....and told them exactly what they needed to do. Rick became a trusted friend and the “go to” for insuring the road safety of our son and daughter. God truly blessed our family with Rick. We morn his passing with you. God bless his precious family.
