“ *I worked with Richard from 1987-2007. He was a great boss and a great friend. He always found a way to make me laugh. He always knew what words to say whether I was sad, mad or worried. Richard was the one person I knew I could call when I needed advise or information for work. Even if he didnt know the answer he would look it up for me. I feel so blessed to have had a friend like him. He will be truly missed. My condolences to the family, God bless you.*

“ It was an honor to have worked with Richard, I learned so much from him. Always so stern but yet funny and helpful. I will forever remember Richard with the song I Can Only Imagine by Mercy Me which was one of his favorite songs. Well Richard you don't have to imagine anymore, I pray and hope that you are up there with the creator. You will be missed, God bless.

“ I don't have the words to express how sad I feel knowing that I won't see him anymore walking in thru our office door every Monday morning. I know we will meet again some day in heaven... in the mean time you will be missed here. Thank you for everything you thought me.

“ I am the daughter of Clayton and Zora Dermer. Clara was my dad's sister. When I was little Dickie and Ronnie came and lived with us in Dayton, Ohio. I remember I always thought he was so handsome !! When he went into the Navy, he sent us pictures of him working on the deck of the ship. I carried that picture because I was so proud of him. I think I probably still have that photo in my old pictures. I know we all never kept in touch but we all loved him very much. My thoughts and prayers are with the family at this time.XG

“ *Richard has been a big part of our lives for the past 20 years. He was like a father to everyone here at the Linden Management family...strict, but still very loving. He has graced us all with his wisdom, honesty, & dedication. He was always happy to teach & eager to help anyone willing to listen & learn. Never wanted to take any vacation. Always thinking of how everyone is doing. Richard always selflessly place the good of the team above all else. Truly a man for others. We will greatly miss him. May he rest well in his well deserved vacation.*
