

Richard Bryant Miller

May 16, 1964 - March 18, 2025

Richard Miller died peacefully last week surrounded by his family at the too-young age of 60 years. He said his greatest achievement was to launch his daughters into the world where they are multiplying the values of kindness, generosity and service he modeled for them. He died confident in the knowledge that they embrace the saving grace of Jesus Christ as he did himself. Richard was a constant student of the Bible, most recently with Community Bible Study in Houston where he found a band of brothers walking alongside him through this past year of illness and uncertainty.

Richard managed his financial resources prudently and shared them generously, letting the inspiration of the Holy Spirit guide him. He embraced his spiritual gift of administration, using it to support and lead service organizations including Habitat for Humanity in Bakersfield, Calif, Prestige Learning Institute ministry to refugees in Houston and Crown Financial Ministries. With Crown, Richard was thrilled to coach many people to use Biblical principles to organize their finances and find a sure path to peace and generosity.

He dedicated his time to others after retiring from a 32-year career with Chevron, mostly as a project manager in Houston, California and on overseas projects. He knew how lucky he was to find his job enjoyable and challenging and to work with the highest quality of colleagues. Richard earned a degree in

mechanical engineering from Georgia Tech in 1988 and was a loyal, long suffering fan of his beloved Yellowjackets. He is a graduate of Dalton High School where he proudly played flugel horn in the marching band. His dear parents, older brothers and childhood friends helped shape the generous, goofy, good man he would become.

Richard greatly appreciated life's little pleasures: a glass of red wine, a plate of cookies, Angela's fresh-baked bread, the fragrance of a fruit tree in bloom, a scenic overlook at sunset, the song of a train whistle on the breeze, a good map, conversations with friends and strangers, deep musings with Danielle, singing with Melanie, exploring a new place, sitting on his back porch, a round of golf — finding as many balls on the course as he lost to the water — a good sermon, a Christian mystery novel, Isaiah 40, a funny little dog, and a walk anywhere holding his sweetheart's hand.

He is survived by Angela, his wife and best friend of 33 years, his two daughters, two brothers, and a lovely extended family of nieces, nephews and in-laws.

Thank you for honoring him and us with your kind words and gifts. If you would like to honor him with a donation in lieu of flowers, he would eagerly point you to crown.org where your donation can help others build a life of freedom and purpose for their money and identity.

A service celebrating Richard's life will be held at 10:00 a.m. on Friday, March 28, 2025 at West End Church, 802 Shepherd Drive, Houston, Texas 77007.

“ TRIBUTE TO RICHARD BRYANT MILLER

It is with a heavy heart that I write this tribute to my dear colleague and friend, Richard Bryant Miller.

Richard and I worked together at Chevron on the Escravos Gas Plant Phase 3 Project in 2026, based in South Korea. He served as the Project Mechanical Engineer, and I was the Project Operations Specialist. Working alongside him was a true pleasure.

Richard was the kind of person who lit up every room, always smiling, never showing a sad face, and constantly cracking jokes that made everyone laugh. He had a rare gift for making people feel heard and valued, always ready to lend a hand or listen with empathy and kind, consoling words.

He was not just a dedicated professional, but also a loving husband to his beautiful wife, Angela, and a proud father to his two precious daughters, Danielle and Melanie, who were just babies at the time. As we come to terms with this great loss,

I pray that the Almighty God will comfort his family and surround them with His peace. May they feel His presence now and always, until that glorious day when we are reunited at the feet of Jesus.

Adieu, Richard. It is deeply saddening to say goodbye, but Heaven rejoices at your homecoming. Rest in perfect peace in the bosom of our Lord Jesus Christ.

“ Richard’s Celebration of Life service was sobering and deeply encouraging. Angela, Danielle & Melanie and the others that spoke bravely faced this sorrowful loss while giving praise & honor to God. Sorrowful yet rejoicing. I was challenged in many ways to live a life like Richard: loving God wholeheartedly, living out his faith by serving others and abundantly showing kindness and generosity. I will continue to pray for you.

“ Richard was my best friend in high school. One of my only 'real' friends. We spent many hours at the arcade playing video games and through his generous spirit he invited me on several trips with his family. I came to know Christ because of our friendship as he invited me to a Bible study in his home led by his brother Steve and Art Joyce. I have missed my dear friend since we went our separate ways just after high school. Goodbye dear friend. Save a place at The Throne of our Lord for me and I'll see you there soon.

“ Richard was a wonderful fellow while I didn't get to see him often after we grew up, I've always admired him for his faith, dedication to family, and his wonderful career. It was an honor to be related to him - and it is wonderful to know that he will now be reunited with Anne and Aunt Polly.
