“ *I met Rick through his irrigation business. He installed and maintained the system at my mom's and uncle's homes. We all depended on Rick for his excellent service.*

Rick also went to Madison High School, but graduated several years before my siblings and me. That fact always gave us something to talk about.

*My condolences to all of Rick's family. He was so good to my mom, uncle and me. Lori, do you remember me from elementary school?

“ I knew Rickey when he married Debbi (Jones) Fritz. I was very close friends with Debbi's brother David Jones. That's when I met Rickey way back then & always seemed like a real helluva nice man. May God Bless him

“ I have too many memories to even know where to begin. Since the day we met in 1967, Rick has been a huge part of my life. We married in 1968, have 3 sons and although we divorced in 1985, he and his extended family will always have a place in my heart. I pray for peace and comfort for Jimmy, Chad, Scott, their wives and children and for Rick's sisters and extended family at this most difficult time in their lives. May good memories help to lessen your pain and grief. And, Rick, may your name live on through your sons. Always, Debbi
